## Testimonials

"We had my daughter's birthday party there this weekend and they did such an amazing job! There was a little miscommunication about our pizza order and they still got it to us in a timely manner and we still had plenty of time in the party room to eat pizza, have cake, and open gifts. There are so many area's for children to play and the staff is great with the kids. I love how you can play for the whole day if you want when you book a party with them. Other Children's Museums you can only play for a couple of hours. We traveled 90 miles for her birthday and it was worth it! Thank you so much!"

"I had my daycare Christmas party here it is perfect for children of all ages! Staff is friendly and all areas are very clean! The children have so much fun here! "
