"I'm thrilled to be joining Kearney Area Children's Museum's team at such an exciting time for the Museum. Now more than ever, children need a safe, nurturing, exciting space to dream, discover, and develop. I am honored to join an organization rooted in such a wonderful community, and I look forward to helping lead KACM to continued success," said Janell Brown, Executive Director, Kearney Area Children's Museum.

Janell's passion for our mission as well as the children in our community will help KACM serve our community by bringing families together, embrace our community, and encourage children to play, learn and grow" said Christy Margritz, Board President, Kearney Area Children's Museum.
